## Broussard Bulk Plant

Talen's Broussard Bulk Plant is a premium distributor of high quality lubricants, fuels and chemicals. We have the capacity to store 470,000 gallons of bulk fuels and lubricants, along with 43,000 ft2 of combined warehouse space to store packaged goods.

As a leading distributor of major branded products, Talen can provide all your lubrication requirements by delivering Shell, Valvoline, Primrose, Pennzoil, Quaker State and TruSouth products directly to your facility or jobsite. We proudly serve consumer, commercial, industrial, oilfield, agriculture and automotive markets, and have knowledgeable and courteous employees ready to help you choose the best lubricant for your application.
